1. 1. About these terms

The website is operated by Simply Enterprising ("we", "us" or "our"). The campaign website is: [INSERT CAMPAIGN WEBSITE URL].

By using the website or requesting the eBook, you agree to these terms. If you do not agree, please do not use the website.

2. 2. The free eBook and bonus material

The End to Multitasking is provided as a free digital resource to people who complete the subscription process described on the website. Any bonus eBook or other bonus material is provided as described in the relevant campaign pages or emails.

Access instructions may be sent by email after you confirm your subscription. You are responsible for providing a valid email address and checking your inbox, junk or spam folders for our messages.

We may update, replace or withdraw campaign material or access arrangements where reasonably necessary. We do not guarantee that a particular offer or bonus will remain available indefinitely.

3. 3. Permitted use and intellectual property

Unless the relevant material expressly says otherwise, the eBook, bonus material, website text, graphics and other content are protected by copyright and other intellectual property laws.

You may download and use the materials for your own personal, non-commercial purposes. You must not reproduce, republish, sell, sublicense, distribute, upload, share publicly, or create derivative products from the materials without the prior written permission of the relevant rights holder.

All trademarks, product names and content belonging to third parties remain the property of their respective owners.

4. 4. Email communications

When you request the free eBook, you agree that we may send the confirmation email, delivery or access instructions, and the follow-up emails described on the subscription page. You may unsubscribe from marketing emails at any time by using the unsubscribe link in an email.

Unsubscribing may stop future marketing emails but will not undo messages already sent or affect communications that are reasonably necessary to respond to a request you have made.

5. 5. Third-party websites and offers

Our website or emails may contain links to third-party websites, products or services, including bonus resources and promotional offers. These links are provided for convenience or information. We do not own or

Any purchase or other transaction you make with a third party is between you and that third party and is subject to that party's terms, conditions and policies. Please review them before proceeding.

6. 6. Affiliate relationships

Some links in our website or emails may be affiliate links. This means we may receive a commission or other benefit if you choose to make a purchase through a link. This does not increase the price you pay unless the offer itself states otherwise. We aim to identify promotional links where appropriate.

7. 7. Educational information and no guaranteed results

The eBook is provided for general educational and informational purposes. It is not a promise or guarantee that you will achieve a particular productivity, business, financial or personal result. Your results depend on your own circumstances, choices and implementation.

You are responsible for evaluating any ideas or suggestions and deciding whether they are appropriate for your situation.

8. 8. Availability and website use

We aim to keep the website and download links available, but we do not guarantee uninterrupted or error-free access. We may maintain, modify, suspend or discontinue any part of the website or campaign.

You must not misuse the website, attempt to gain unauthorised access, interfere with its operation, introduce malicious code, or use it in a way that breaches applicable law.

9. 9. Liability

To the extent permitted by law, we exclude liability for loss or damage arising from your use of, or inability to use, the website or digital materials, including reliance on information provided in them. Nothing in these terms excludes, restricts or modifies any consumer guarantee, right or remedy that cannot lawfully be excluded under applicable law.

Where liability cannot be excluded but may be limited, it is limited to the extent permitted by law.

10. 10. Privacy

Our collection and handling of personal information is explained in our Privacy Policy, which is available through the campaign website. By submitting your details, you acknowledge that you have had the opportunity to read that policy.
